**Record Book Information:**

- i. Answers in computer printed form.
- ii. Spiral binding/ Punch File System.
- iii. Do not copy from others.
- iv. Keep the Record Book standard and simple.
- v. Submission deadline is 01/08/25.

**Questions:**

1. Creating, saving and running a simple visual basic project.
2. Customizing Forms and Using Basic Controls (Textbox, Label, Button, Checkbox, Radio Button, Listbox, Treeview)
3. Use of Tab control, Trackbar, Timer, Image, Msg Box, Input Box, Mathematical Operation, Creating Menu.
4. Use of Loop.
5. Creating a Report.

**Follow the format for each lab mentioned below:**

- i. Title
- ii. Objectives
- iii. Theory
- iv. Working diagrams
- v. Apparatus
- vi. Procedure
- vii. Results
- viii. Discussion and conclusion
