Hiring Manager

Emirates

Dubai, Dubai, United Arab Emirates

Dear Hiring Manager,

I am writing to express my interest in the **Senior Software Engineer Oracle ERP, HR role** at your esteemed organization. With over 3+ years of hands-on experience in Oracle APEX, PL/SQL, Oracle Forms, Reports, and REST API integration, I have developed enterprise solutions in FinTech and Core Banking environments, And ERP system for Corporate Organization that align closely with your requirements.

In my current role at **Era InfoTech Ltd**, I have delivered full SDLC projects, optimized complex SQL processes, and integrated Oracle-based systems with high performance and scalability. My certification as an **Oracle Developer** (SQL, PL_SQL,REST,SOAP, JavaScript and a little bit working experience in Java) and experience working in Unix/Solaris environments further reinforce my capability for this position. I am also open to international assignments and collaboration with cross-regional teams.

I am excited about the opportunity to contribute to your innovative Oracle initiatives and bring value to your global operations. I would welcome the chance to discuss how my background fits your needs.

Thank you for considering my application.

Sincerely,

Ayub Miaze
